

The Wiley Handbook of Obsessive Compulsive Disorders

Jonathan S. Abramowitz; Dean McKay, Fordham University and Eric A. Storch

The Wiley Handbook of Obsessive Compulsive Disorders provides a comprehensive reference on the phenomenology, epidemiology, assessment, and treatment of OCD and OCD-related conditions throughout the lifespan and across cultures.

- Provides the most complete and up-to-date information on the highly diverse spectrum of OCD-related issues experienced by individuals through the lifespan and cross-culturally
- Covers OCD-related conditions including Tourette's syndrome, excoriation disorder, trichotillomania, hoarding disorder, body dysmorphic disorder, and many others
- Includes important material on OCD and related conditions in young people and older adults, and across a range of cultures with diverse social and religious norms
