

ULLMANN'S

Encyclopedia of Industrial Chemistry

...built from generations of expertise, for generations to come.

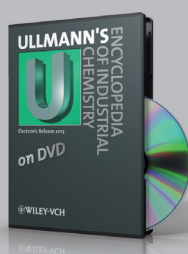

The information you need in the format you want.

Online

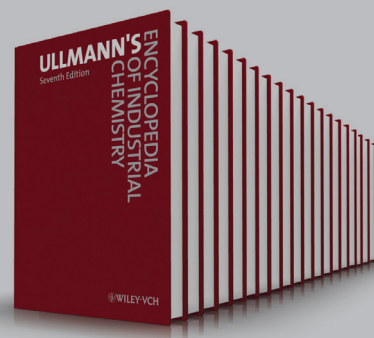

- Over 1,150 articles are available online.
- Over 3,000 authors from over 30 countries have contributed.
- Offers flexible access 24/7 from your library, home, or on the road.
- Updated 6 times per year.
ISBN: 978-3-527-30673-2

DVD

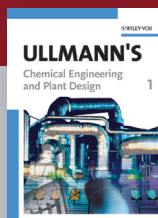

- Released once a year.
- Fully networkable for up to 200 users.
- 2013 Edition
ISBN: 978-3-527-33311-0

Print

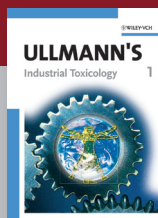

- ULLMANN'S is available as a comprehensive 40 Volume-Set.
- The 7th Edition published in August 2011.
- ISBN: 978-3-527-32943-4
