

An Abbreviated History for Business Readers

978-1-119-06249-3 | Mar 2017

“To understand the present and to anticipate the future, one must know enough of the past, enough to have a sense of the history of a people.”

~ Lee Kuan Yew

As globalization continues to gain momentum, South-East Asia emerges as an important business sector for many industries. Not only does this open up professional opportunities, it exposes individuals in other parts of the world to the unique histories and cultures of the area. With an approachable writing style and comprehensive content, *A Short History of South-East Asia, 6th edition* is written for business readers interested in improving their understanding of this important region.
