

Answering the Questions of our Global Future

The Global Futures Series

The world finds itself at a critical juncture. Major environmental, economic and political crises threaten the stability, prosperity and, some would argue, the very survival of our planet. In these bold and incisive essays, leading international thinkers tackle head-on the major questions that will determine our global future.

Coming Soon

CAN WE SOLVE THE MIGRATION CRISIS?

"Jacqueline Bhabha has long been one of the most astute observers of forced migration around. [...] she brings her insight to bear on this great issue of our time, offering original and compelling ways of rethinking the challenges ahead."

-Matthew J. Gibney, University of Oxford."
