The International Encyclopedia of Language and Social Interaction is an invaluable reference work with contributions from leading global scholars, available both online and as a three-volume print set. This extensive collection successfully brings together the significant contribution of work from the international field of LSI.

- The definitive international reference work on a topic of major and increasing importance, in a new series of sub-disciplinary international encyclopedias
- Provides state-of-the-art research for scholars in a highly interactive and accessible format, available both online and as a three-volume print set
- Covers key research topics in the field with contributions from a team of experienced, global editors
- Successfully brings into a single source, explication of all of the fascinating and ground-breaking Language and Social Interaction work developing globally and across subjects
- Part of *The Wiley Blackwell-ICA International Encyclopedias of Communication* series, published in conjunction with the International Communication Association
