The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending is a three-volume collection of up-to-date readings contributed by international experts relating to the assessment, intervention, and theoretical foundations of sexual offending.

- The first reference work to comprehensively cover all the major aspects of working with sexual offenders, including assessment, intervention, and theoretical foundations of sexual offending
- Includes in-depth and up-to-date assessment and treatment approaches for adult male, female, juvenile, and cognitively-impaired offenders
- Features contributions by leading experts in each specialized field from around the world, including Bill Marshall, Bill Lindsay, and Tony Ward
- Offers cutting-edge theories of sexual offending, including the latest multifactorial and single-factor theories
