

The International Encyclopedia of ETHICS

2nd Edition | 11-Volume Set

Hugh LaFollette (Editor-in-Chief)

Unmatched in scholarship and scope, *The International Encyclopedia of Ethics* is the most comprehensive and authoritative ethics resource of its kind. Available online or as an eleven-volume print set, the *Encyclopedia* espouses a broad vision of ethics that creates links to many other disciplines, including medicine, technology studies, computer science, business, religion, and law. Entries range in size from shorter definitions and biographies to extended treatments of major topics, and have been blind-reviewed by both the editorial team and an independent review board to ensure exceptional balance and accuracy throughout.

Building on its established strengths, the second edition of the *Encyclopedia* covers topics, movements, arguments, and figures in normative ethics, metaethics, and applied ethics, containing over 850 fully-cross-referenced A-Z entries which emphasize the richness and diversity of the field. New to this edition are more than 300 original and updated entries which add coverage of contemporary topics including voting ethics, artificial intelligence, moral uncertainty, police bias, narcissism, structural injustice, bullying, biopolitics, legal moralism, and intellectual virtue.

11 Volumes | Print Set ISBN 9781119488873
Hardcover | 7280 pages | April 2021
List price US\$1,950
Online ISBN 9781119488880

EDITOR-IN-CHIEF

Hugh LaFollette is Cole Emeritus Professor in Ethics at the University of South Florida St. Petersburg, and Editor-in-Chief of *The International Encyclopedia of Ethics*. He is author of three books, most recently *The Practice of Ethics*, as well as of numerous articles. He has also edited several anthologies, including *Ethics in Practice, Fifth Edition* (Wiley Blackwell, 2020) and the *Blackwell Guide to Ethical Theory, Second Edition* (Wiley Blackwell, 2013).

ASSOCIATE EDITORS

John Deigh is Professor of Law and Philosophy at the University of Texas at Austin, and author of *The Sources of Moral Agency* (1996), *Emotions, Values, and the Law* (2008) and *An Introduction to Ethics* (2010).

Sarah Stroud is Professor of Philosophy at the University of North Carolina at Chapel Hill, and has published widely on topics spanning moral theory, metaethics, moral psychology, and related areas.
